

Insurance Advisor

As part of the insurances team, you support the managing and optimizing of our insurance program at TenneT, including insurance claims handling and administration of insurance contracts. In this role, you work closely together with the insurance team, our line organisation, risk owners, risk managers, claimants, suppliers, customers and external insurance broker. We are excited for you to join as Insurance Advisor in Lehrte or Bayreuth!

Your contribution to TenneT

- Develop and negotiate insurances / risk transfer solutions, perform (European) tendering of insurance contracts and participate in negotiations with suppliers (mainly on CAR, PD and GL)
- Representing TenneT's insurance management department to internal and external stakeholders to ensure timely provision of information and documentation
- Determine the impact and opportunities of relevant developments in the insurance and/or energy markets on TenneT's insurance strategy
- Participate in insurance related topics of our reinsurance captive, e.g. fronting/retrocession

Additional information

- Desired start date: as soon as possible
- The weekly working time is 37 hours
- The position is unlimited

Our offer

We are family friendly and flexible

Health - your basis

Modern working environment

Attractive remuneration and social benefits

Personal development

Your profile and background

- Ideally a bachelor or master degree in business, economics or industrial engineering
- Possess significant relevant risk and insurance work experience, including professional education obtained from (international) company's insurance department, international broking, risk management, a consulting/legal firm (with relevant focus) or insurance company background and ideally have experience of the energy or infrastructure sector
- You are energised by a dynamic working environment. You are a team player who is able to build and maintain a network of relations both internally and externally.
- High level of self-initiative, hands-on, pragmatism and team player
- Strong communicator on all levels to build bridges and convince people, both verbally and written; language skills are good in German and English

Our recruiting process

In our online-application-form you can apply within only some minutes as long as this job is posted. Afterwards we screen your application and get back to you as soon as possible. Our selection process consists of one interview only.

Did you know? You can also listen to energy! Our podcast "along the lines" informs you 24/7 about current topics of the energy world.

TenneT is a leading European grid operator committed to a secure and reliable electricity supply - 24 hours a day, 365 days a year. We are shaping the energy transition for a sustainable energy future. As the first cross-border transmission system operator, we plan, build and operate an almost 24,500 kilometres long high and extra-high voltage grid in the Netherlands and Germany and are one of the largest investors in national and international electricity grids, on land and at sea. Every day, our 6,600 employees give their best and ensure with responsibility, courage and networking that more than 42 million end consumers can rely on a stable electricity supply.

Lighting the way ahead together
