

## Strategic Planner

TenneT is growing fast to realize its strategic ambitions. We play a leading role in driving the energy transition. We are looking for a passionate **Strategic Planner (36-40 uur)** at our location **Arnhem** who will contribute to this and that might be you?

### Your contribution to TenneT

Your contribution to TenneT

As a Strategic Planner (36-40 hours), an important role within TenneT, you will be part of the 2GW-Program within the GSC portfolio. You will review and integrate the schedules of the contractual partners and coordinate the interfaces from a scheduling point of view. In addition, you will be responsible for the development of a portfolio approach for the internal schedule, this in collaboration with other internal project teams.

You are responsible for monitoring progress in the project, carrying out deviation analyses and supporting the development of countermeasures in close cooperation with the work package managers and the project management. As part of regular reporting, you will provide the relevant contributions to the status of the scheduling including the necessary KPI's.

- Checks and analyses the planning, deployment and work performed (and reports on this) as input for measures to be taken in the schedules.
- Handles requests and acts as a point of contact for planning questions.
- Responsible for an efficient schedule reporting and updating process while working together with a Junior Planner, Site Planner and Strategic planner from the Cluster (Landstation & Cable).
- Support for implementation and visualization of the schedule data set (Power BI).
- Contribute to a growing time management maturity within the project and the organization.

You will be part of the community of scheduling experts wherein you collect and share best practices and actively participate in the continuous improvement and further development of the project management tools used for project planning and control.

### Your profile and background

Your profile

- You have successfully completed your studies in the field of **economics/engineering** or can prove that you have a comparable qualification.
- In addition, you have **relevant experience (+5 years) in scheduling** and, ideally, in scheduling large complex projects (with scheduling software Oracle Primavera P6).
- Experience with **Power BI** is a nice to have.

### Additional information

- Salary for this position is in grade 8, between € 3.879,- and € 7.660- gross based on a fulltime position
- The weekly working time is 40 hours, this position can be fulfilled for 36 hours or more
- Type of contract is indefinite
- 43 vacation days
- Additional benefits such as: health insurance, internet and sport compensation
- Work hybrid, we stimulate a healthy work-life balance
- Interviews for this position will possibly be held in English (or Dutch)

#### Our Challenges

Based on the 'Energie-akkoord', where the targets and intentions for the transition to a more renewable energy supply are set, the Roadmap Offshore wind energy 2030 and the ambition to realize additional wind capacity prior to 2030 a roll-out strategy is being prepared for the medium term, including the IJmuiden Ver (DC) projects as part of the 2GW program. This results in a commitment for TenneT to realize a number of 2GW HVDC Grid Connection Systems which bring the power from offshore wind-farms in the North sea to the Dutch electricity grid.

Large Projects Offshore is a key contributor to the energy transition. The Unit is responsible for the current and future development of the offshore grid as a whole and subsequently for the development and realization of the DC interconnectors and the Offshore Wind Farm grid connections in both the German and Dutch sectors of the North Sea.

TenneT is an equal opportunity employer for ALL and is fully committed to the principles of equal employment opportunity to ensure that all applicants and employees are considered for recruitment, promotion and employment regardless of their ethnic origin, skin colour, religion or belief, gender, national origin, age, disability, sexual identity, marital/family status.

### Our offer

We are family friendly and flexible

Health - your basis

Modern working environment

Attractive remuneration and social benefits

Personal development

### Our recruiting process

- You have **good analytical skills** and a **structured, efficient and independent** way of working.
- You have a high level of **social competence and communication skills** and enable you to exchange relevant information related to scheduling.
- Your **hands-on mentality** with the will to make a difference, together with your goal orientation, with a willing to learn mentality rounds off your profile.
- Language is the project team is **English** (Dutch is a nice to have).
- You are resident of the Netherlands.

## This will be our challenge

Large Projects Offshore is a key contributor to the energy transition. The Unit is responsible for the current and future development of the offshore grid as a whole and subsequently for the development and realization of the DC interconnectors and the Offshore Wind Farm grid connections in both the German and Dutch sectors of the North Sea.

TenneT is a leading European grid operator committed to a secure and reliable electricity supply - 24 hours a day, 365 days a year. We are shaping the energy transition for a sustainable energy future. As the first cross-border transmission system operator, we plan, build and operate an almost 24,500 kilometres long high and extra-high voltage grid in the Netherlands and Germany and are one of the largest investors in national and international electricity grids, on land and at sea. Every day, our 6,600 employees give their best and ensure with responsibility, courage and networking that more than 42 million end consumers can rely on a stable electricity supply.

TenneT is an equal opportunity employer for ALL and is fully committed to the principles of equal employment opportunity to ensure that all applicants and employees are considered for recruitment, promotion and employment regardless of their ethnic origin, skin colour, religion or belief, gender, national origin, age, disability, sexual identity, marital/family status.
